- 3.1. This Association claims as its own the faith of the historic Church expressed in the ancient creeds and reclaimed in the basic insights of the Protestant Reformers, particularly as that faith is expressed in the Preamble of the Constitution of the United Church of Christ and in the Statement of Faith of the United Church of Christ.

- 5.1. Since the Local Churches and Ministers of the United Church of Christ constitute the Association, the responsible participation of member churches, lay persons, and Ministers is necessary to carry out the purposes of the Association.
- 5.2. The autonomy of the Local Church is inherent and modifiable only by its own action. Nothing in the Bylaws of the Association shall destroy or limit the right of each Local Church to continue to operate in the way customary to it; nor shall be construed as giving to the Association now, or at any future time, the power to abridge or impair the autonomy of any Local Church in the management of its own affairs or its right to withdraw from the Association by following the processes for doing so as described the Local Churches bylaws.
- 5.3. A Local Church in this Association shall have the responsibility of participating in meetings of the Association: faithfully supporting Our Church's Wider Mission; paying of the Southern California Nevada Conference per capita dues; supplying information requested by the Conference or Association; holding actions, decisions or advice from General Synod, a Conference or Association in highest regard; recognizing the Association as an instrumentality of all the churches in their common life and service; and using the staff and facilities of the Association or Conference in order to strengthen the life and work of the churches and the Association.
- 5.4. The Standing and membership of a Local Church in this Association may be voluntarily terminated by the Local Church according to the Local Church's process. The Local Church is encouraged to consult with the Association Registrar and Conference Minister prior to terminating its affiliation. The Local Church must notify the Association Registrar and Conference Minister following the Local Church's action.

- 5.5. The Standing of a Local Church in this Association may be involuntarily terminated at any meeting of this Association by a majority vote of the voting membership of this Association. The process of reviewing a Local Church's Standing is serious business and is not done in haste. The process begins with the Committee on Ministry and the Local Church reviewing the covenantal expectations of a Local Church. If covenantal expectations of a Local Church have been repeatedly infringed or the Local Church does not engage with the Committee on Ministry, the Conference Minister and Conference Board of Directors shall be consulted and appropriate action determined. The leadership of the Local Church shall be notified at least 60 days prior to the Association meeting at which an action to end the Standing of the Local Church is proposed for vote.
